Course Fees 2027-28

We have four teaching centres at St Hild – Sheffield, Mirfield, Lincoln, and Online (Digital only).
The fees for our courses differ depending on where you choose to study.
Fees for the Sheffield Teaching Centre include morning and afternoon refreshments, lunches, and access to the monthly Missional Leadership programme.

St Hild is registered with the Office for Students, so eligible students can access student finance (including maintenance loans) for some of the courses below.

Fees for Undergraduate & Graduate students – Durham University accredited

Each undergraduate award comprises a certain number of credits which can be studied at different paces. Your annual course fee will therefore vary according to the pace at which you choose to study.
Graduate students studying towards the Grad Dip or Grad Cert may audit (attend without offering work for assessment) up to 50 credits of other modules for free in each year of study.
